CIRCULAR - ANNOUNCEMENT FOR PORT CONGESTION CHARGES AT HO CHI MINH BASED ON ETA HCM AUG 10, 2021

Date: 05 August 2021

Dear Valued Partners and Clients,

Due to the recent Covid-19 pandemic outbreak has heavily disrupted the operations of manufacturing plants and factories resulting in serious congestion of goods circulating at Cat Lai Terminal.

The high risk of backlogs due to slow pick-up from customers at CFS warehouse as well as the delay of release of import containers, the full capacity at CFS Cat Lai Terminal also led to serious delay for devanning containers and almost Demurrage and storage charges are occurred by carrier and ports during this time.

In order to cover these arising costs, a **Port Congestion Surcharge will be applicable on consignee's account effective August the 10th, 2021 based on Vessel ETA into Ho Chi Minh applicable on shipments to Ho Chi Minh (ICD3 Phuong Long / Cat Lai Terminal)**

Port Congestion Surcharge: USD 3 w/m Min 1CBM (general cargoes)

Port Congestion Surcharge: USD 5 w/m Min 1CBM (DG cargoes)

Please update to all concern parties, we appreciate your kind understanding and support.

Yours Sincerely,

Management of Penanshin Shipping
